## Park Supplies & Playgrounds

A playground design, manufacturing, installation and maintenance specialist with 35 years of experience.

We strive to make playgrounds that ignite adventure, inspire imagination and create joy and excitement in children through play. We design and build playgrounds that aid children in their physical development.

## New Zealand Made

We are proud to design and manufacture our equipment in our own factory here in New Zealand. New Zealand made for the New Zealand environment.

## Full Customised Design or Equipment Supply

We are flexible in our approach.

Our design team can work with you to create your own custom playground and provide you with a 3D CAD proposal to bring your playground to life. We can share with you some of existing proven playground designs.

Alternatively we can supply you with individual equipment specifications including dimensions and fall zone requirements.

## Installation & Project Management

Park Supplies & Playgrounds can provide full project management and installation service nationwide.

## Replacement Parts & Maintenance

Park Supplies & Playgrounds is the largest supplier of playground parts nationwide. We can supply parts and the advice you need to keep your playground safe and operational.

## Certification

Our products are designed and independently certified in accordance with the NZS5828:2015 Playground Safety Standard.

## 25 Year Warranty

Park Supplies & Playgrounds warrant all products to be free from manufacturing and installation defects for a period of up to 25 years. See the full warranty document for all terms and conditions.

Your dream to reality - A brand new playground!

#### Custom playground design or equipment supply.

Our design team can work with you to create your own custom playground, through our free 3D CAD service. Using your choice of equipment and plans of your site we can work out the most efficient, challenging and exciting playground.

# Colours, surfacing and customisation

We have many colour options available, or choose from our colour configurations.

## Colour options

<b>BUBBLE GUM</b> 	<b>SUMMER</b> 	<b>HERITAGE</b> 	<b>BOUNCE</b> 
<b>MARINE</b> 	<b>FOREST</b> 	<b>NATURE</b> 	<b>SPARK</b> 
<b>BUMBLE BEE</b> 	<b>JAZZ</b> 	<b>WILD</b> 	<b>SPLASH</b> 

## Surface options

There are many surfacing options available for your project. Some are listed below.

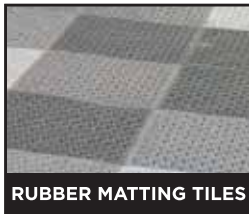

WOODCHIP

Loosefill is a great surface for falls up to 3 metres. We construct timber edgings and install a certified woodchip that has a longer life span than bark. We can construct a timber edging and supply and install the certified woodchip.

WET POUR GRANULE RUBBER

Wet Pour Rubber provides a unique finish to your new playground. Combining multiple colours, curves and shapes to create a visually dynamic surface.

RUBBER MATTING TILES

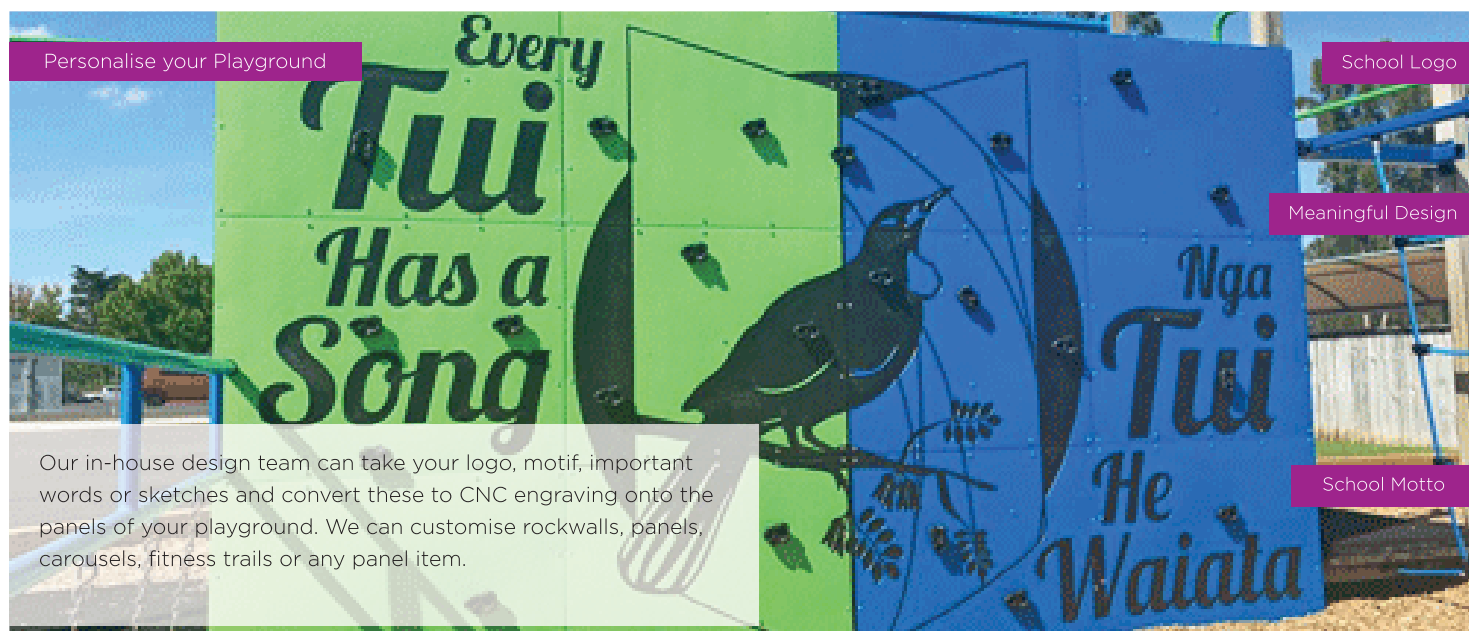

Rubber Matting Tiles provide a great aesthetic finish to your new playground. We have many options available. Tiles can add a layer of security, with individual tiles being replaceable should vandalism occur.

SYNTHETIC TURF

Synthetic Turf provides a great grass look to your new playground. There are various grass pile height options to choose from.

Our in-house design team can take your logo, motif, important words or sketches and convert these to CNC engraving onto the panels of your playground. We can customise rockwalls, panels, carousels, fitness trails or any panel item.

## Custom Polyplay panels

PolyPlay is a unique material exclusive to Park Supplies & Playgrounds that allows us to fully personalise your playground. Our in-house design team can take your logo, motif, important words or sketches and convert these to CNC engraving onto the panels of your playground. We can customise rockwalls, panels, carousels, fitness trails or any panel item.

## Custom routing

Park Supplies & Playgrounds offers a unique custom routing service, which means your playground can be fully customised for your school at very little additional cost.

## Colour options

PolyPlay is available in three colour choices - Lime Green, Sky Blue and Nature Green.

## Durability

- Unique 12mm thick co-extruded polyethylene, will not delaminate.
- UV stabilised, protection against fading.
- Graffiti resistant, impregnable material for ink.
- Tough, durable and long life.
- Made in New Zealand for NZ conditions.

LIME GREEN

SKY BLUE

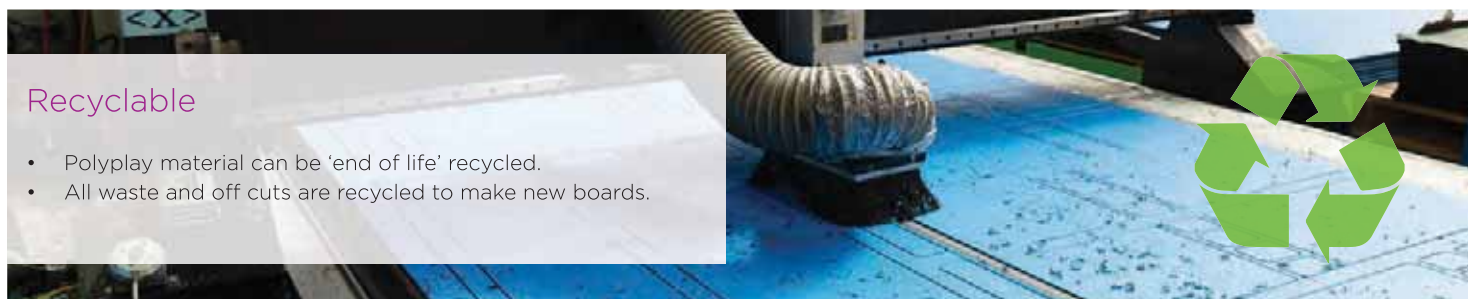

NATURE GREEN

## Recyclable

- Polyplay material can be 'end of life' recycled.
- All waste and off cuts are recycled to make new boards.

### KIDS LOVE MOTION!

**Dynamic elements in playgrounds teach children about inertia, centrifugal force and reaction physics!**

Our range of freestanding elements can be used on their own to create a small feature play area.

They also make great additions to modernise any tired or existing play area.

With small footprints and loads of fitness and agility features, these items pack a lot of play value.

# Swings

### THE LILLYPAD IS AN ALL AGE, ALL ABILITY INCLUSIVE SWING.

Everyone, from the youngest child to the oldest adult can enjoy this swing.

The dish-shaped Lillypad is also perfect for children with disabilities as it supports their whole body and the rope edges give a secure grip.

The perimeter of the Lillypad dish is impact tested and certified.

All standard CLS swings are also available in MEGA size. With an impressive 3 meter high beam to give a larger swing arc and more height and excitement!

## Swings

Timber swings complement a wide range of playground environments.

They are low maintenance, extremely hardy and vandal resistant making them the perfect addition to any park or playground. Available in a wide range of configurations, including lillypad and single swing, these swing sets will sit naturally within your play space.

If you are designing a playground for a coastal area these swing set combinations are rust-resistant and easy to maintain.

## Spinners

### FS415 Orex

5-12 6.5x6.5m 2.4m 3.6x2.3x2.3m Steel

The Orex Spinner is the most popular of our freestanding play elements. As a large inclusive activity it incorporates spinning and climbing which allows for children to expand on their social play skills whilst developing their physical abilities. With a large user capacity of up to forty children, the Orex provides maximum play value in a rather small footprint.

Centrifugal motion develops children's balance, strength and coordination.

## Children love motion!!!

Dynamic elements in playgrounds teach children about inertia, centrifugal force and reaction physics. Spinners are a great inclusive play element that also makes great use of space with a relatively small footprint.

All inclusive access point makes it easy for all children to join the fun!

### FS415 Orion

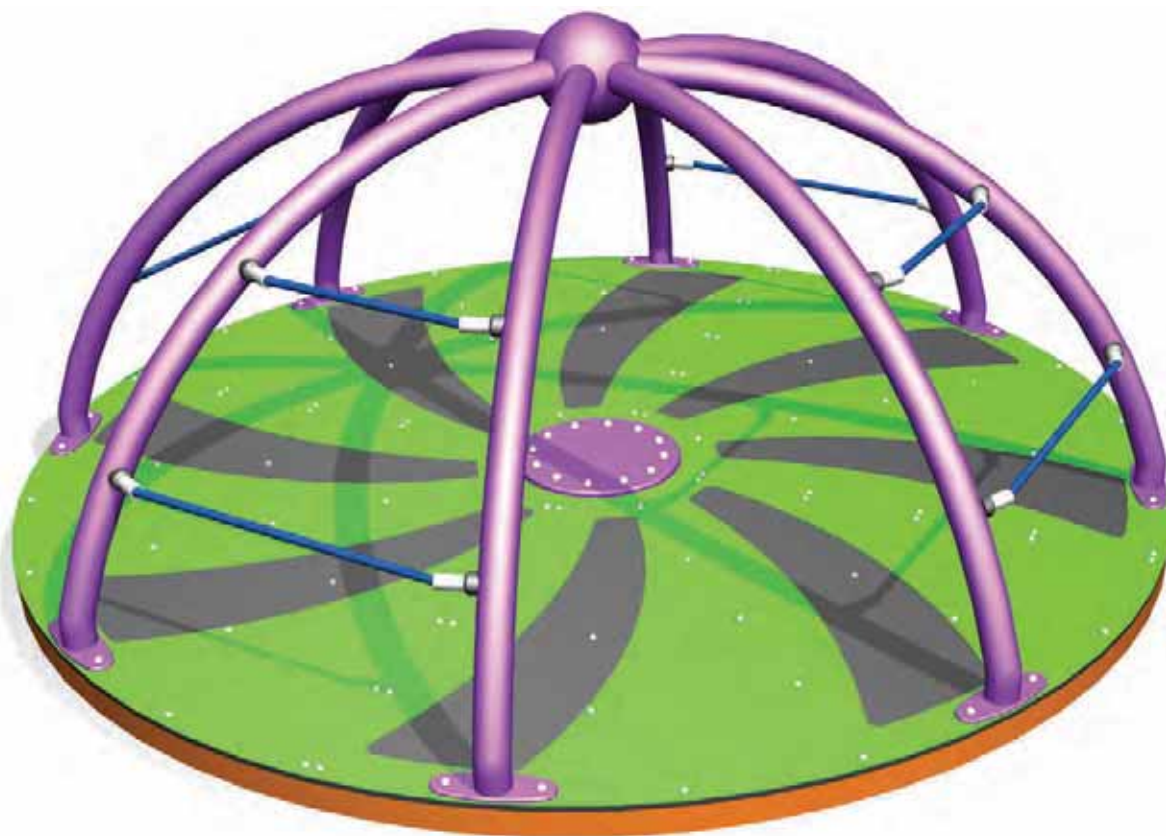

5-15 6.1x6.1m 2.4m 3.6x1.9x1.9m Steel

The all inclusive Orion Spinner holds up to 20 children of ages five to twelve and features an easy access entrance at the lowest level so a wider range of children with different levels of mobility can easily join the fun.

The Orion Spinner is a fun combination of climbing and spinning allowing children to safely enjoy the motion of the spinner at different heights.

## Spinners

**FS410** *Megadome spinner*

**CLS1LP** *Lillypad basket swing*

 1-6  3.3x7.6m  1.4m  2.4x3.3x2.4m  Steel or timber

## Sensory play

Sensory play is beneficial for children of all ages to improve fine motor skills and regulate their emotions. Our sensory play range facilitates activities that can exercise a child's different sensory systems in an engaging and calming manner. It's important that our playgrounds offer an experience that all children can feel positively fulfilled and stimulated by. These all inclusive sensory activities offer a break from the typical playground activities, targeted towards nurturing a child's visual, auditory, and tactile senses through fun, learning, and co-operation.

Sensory play isn't limited to panels on structures, including audio simulation through music play (page 28), tactile and creative experiences with sand play (page 48), and tree top balance (page 36) all contribute to creating an engaging and stimulating play space.

**EN30** *Tic tac toe*

Match the shapes, play noughts and crosses or just have fun spinning the colourful barrels.

**EN31** *Little kiwi shop*

Set up shop selling wares to your friends and family. For imagination play.

**EN32** *Gone fishing*

Catch fish through the magic of the magnetic rods! For visual & tactile stimulation, and fine motor skill improvement.

**EN33** *Spin maze*

Spin the wheel and navigate the ball through the maze! For tactile simulation and fine motor skill improvement.

**EN34** *Flower panel*

Look through the flowers and see the world in a whole new way! For visual stimulation.

**EN35** *Tumble time*

Spin the wheel and watch the balls tumble! For visual, tactile & auditory stimulation.

**EN36** *Play kitchen*

Let the imagination run wild creating exotic dishes and working with friends.

**EN37** *Whats the time*

Set the time with the interactive dials! For fine motor skill improvement and learning to tell the time.

**EN38** *Bird maze*

Use your finger to navigate the bird through the maze to find the worm in the centre.

**EN39** *Gears panel*

Turn the wheel and make the gears turn together! Encourages tactile stimulation and fine motor skill improvement.

**JP60** *Sensory hut*

### HARMONY BELLS

MP06

Inspire creativity and promote sensory development by adding outdoor music play elements to your playground.

Below is only a sample of the music play equipment we can provide. Please enquire about other options.

Perpetually in a perfect state of bloom, Harmony Bells are suitable for many different outdoor locations and will withstand all weather conditions and seasons.

### COLOSSUS CHIMES

MP04

Built with durable aluminum to withstand tough environments, the center post is strengthened, and the outer tubes fixed using stainless steel security screws located top and bottom.

Each bell is capped to prevent debris from entering the bell and dampening the sound.

### DAISY PETAL DRUMS

MP04

Daisies are always sunny and cheerful and this petal drum with its happy notes will guarantee smiles.

## CAVATINA

MP01

Strong, weather-proof and durable, the notes on the Cavatina are arranged as a traditional xylophone or glockenspiel with low to high notes going from left to right.

## RAINBOW SAMBAS

MP03

Rainbow Sambas are fun and easy to play whatever your age and will produce lots of creative musical energy!

## TEMBOS DIATONIC

MP02

The basic principle of making music on our Tembos is to beat or slap on one end of the tube to create a pressure wave. The length of the tube determines the length of the wave, and different wavelengths make different notes.

## Flying fox and monorails

At Park Supplies & Playgrounds we can not only build and install your flying fox, we also supply a myriad of flying fox industry standard parts if you have an existing one that may need some attention.

### FS424 *Timber pole flying fox*

5-70 4.0x32m 1.5m  
4.1x20.3x2.0m Timber

30m long is our standard length flying fox. Additional length can be added to make a longer ride.

**PS104** *3m Whisper glide*

5-70 4.0x6.4m 1.8m

3.2x1.3x1.9m Steel

**PS105** *6m Whisper glide*

5-70 4.0x9.4m 1.8m

6.2x1.3x1.9m Steel

**PS106** *9m Whisper glide*

5-70 4.0x12.4m 1.8m

9.2x1.3x1.9m Steel

**FS422** *Single velocity flying fox*

5-70 4.0x22m 1.5m

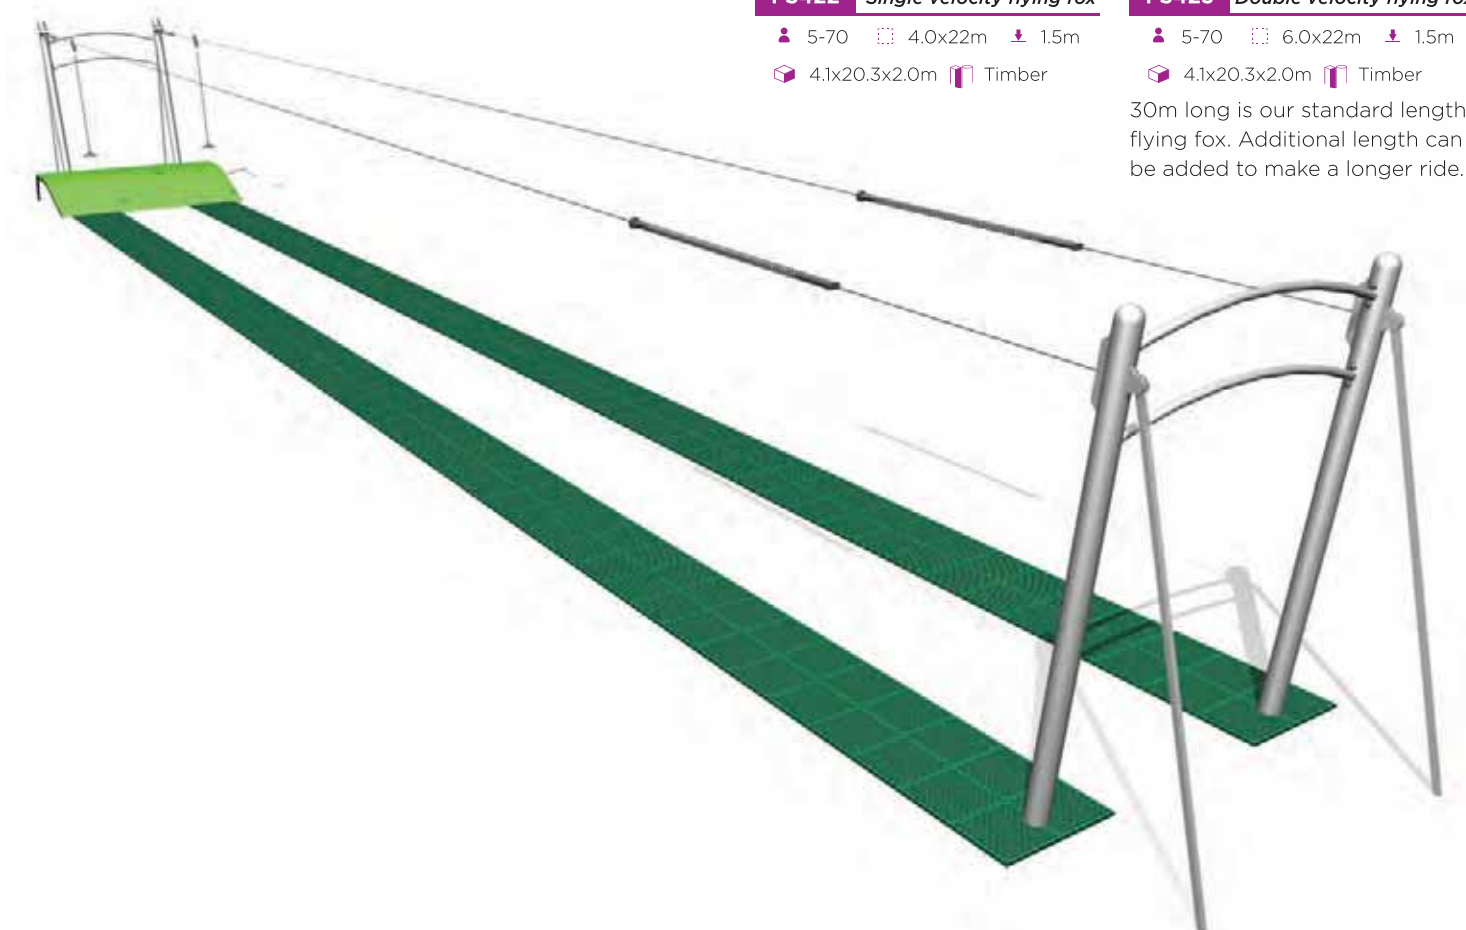

4.1x20.3x2.0m Timber

**FS423** *Double velocity flying fox*

5-70 6.0x22m 1.5m

4.1x20.3x2.0m Timber

30m long is our standard length flying fox. Additional length can be added to make a longer ride.

## Climbers

Climbers are a great inclusive play element for children of all ages.

Offering the challenge of height and climbing which are great for confidence, balance, grip and upper body strength development.

**FS694** *Sleeping dragon climber*

5-15 9.1x4.1m 1.4m 6.1x1.1x1.4m Steel

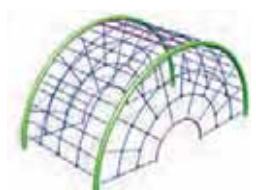

**FS680** *Pebble*

5-15 5.5x5.1m 1.2m 2.5x2.1x1.2m Steel

**FS681** *Rock*

5-15 6.5x5.4m 1.7m 3.3x2.1x1.7m Steel

**FS682** *Boulder*

7-15 6.1x8.1m 2.1m 4.1x2.1x2.1m Steel

**FS684** *Taniwha climb & slide*

5-15 4.8x9.4m 1.5m 7.0x1.6x3.2m Steel

**FS691** *Hunua*

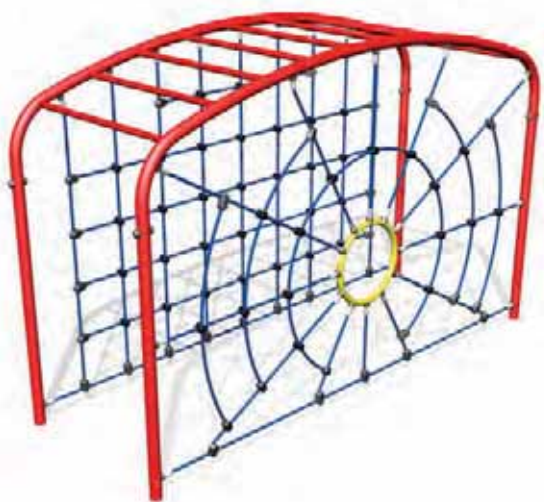

2-5 7.2x7.2m 0.9m 5.0x5.9x2.1m Timber

**FS692** *Kaweka*

7-15 14.0x6.0m 2.1m 10.1x2.1x2.1m Timber

**FS550** *Zenith*

5-15 5.0x7.0m 2.1m 1.1x3.1x2.1m Steel

**FS551** *Early childhood zenith*

5-15 4.2x5.2m 1.5m 2.1x1.0x1.5m Steel

**FS555** *Full sun climber*

6-15 5.0x6.0m 1.8m 2.0x1.0x1.8m Steel

**FT7** *Rising sun climber*

6-15 3.2x6.0m 1.5m 3.0x0.5x1.5m Steel

## Climbers

Growing bodies need to be challenged with different types of climbing activities.

This helps build full body strength, eye hand coordination and confidence.

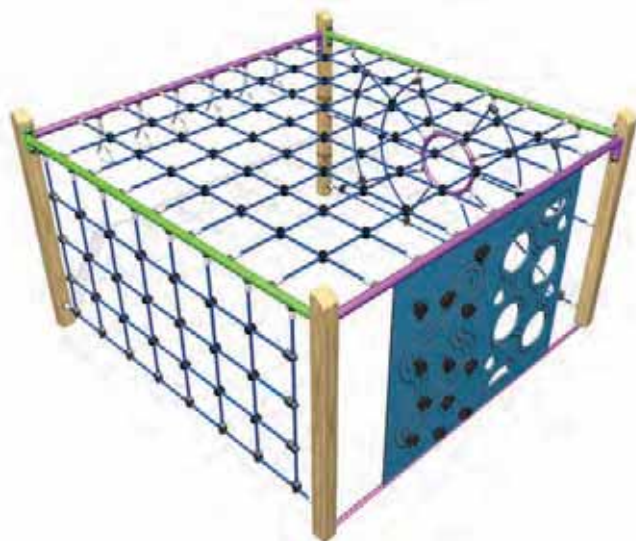

**FT29** *Altitude climber*

5-15 7.9x4.6m 2.1m 3.9x0.6x2.1m Steel

**FT20** *Climb to the top*

5-15 5.5x5.5m 1.8m 2.1x1.8x2.5m Steel

**JP36** *Junior cube*

2-6 5.5x5.5m 1.4m 2.6x2.6x1.4m Steel or timber

**JP35** *Junior pod*

2-6 5.5x6.4m 1.4m 3.4x2.6x1.4m Steel or timber

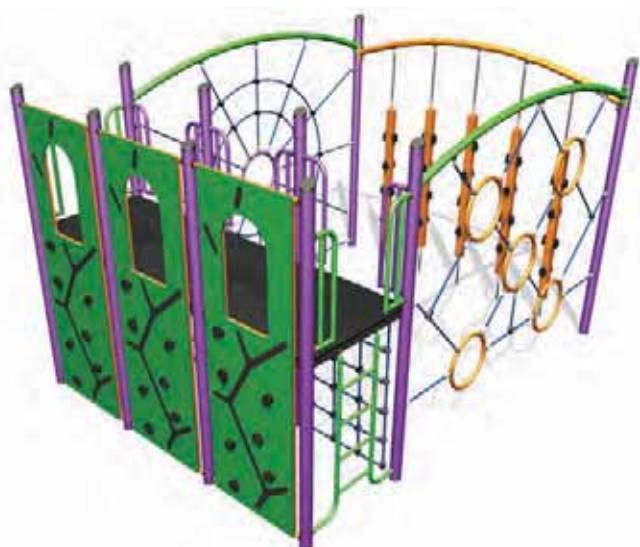

**FS417** *Jungle cube*

7-15 7.2x7.2m 2.7m 2.6x2.6x2.7m Steel or timber

**FS418** *Climb n cube*

7-15 7.3x9.9m 2.7m 5.6x2.6x2.7m Steel or timber

**FS419** *Rock wall cube*

7-15 7.8x8.0m 2.7m 3.1x4.2x2.7m Steel or timber

**FS430** *Mega cube*

7-15 7.5x9.0m 2.1m 4.6x3.5x3.3m Steel or timber

**FS850** *Shute*

8-15 8.8x10.6m 2.7m 6.9x5.1x3.9m Steel

## Tree top balance

Tree top balance range includes timber and rubber balance activities and rope climbers.

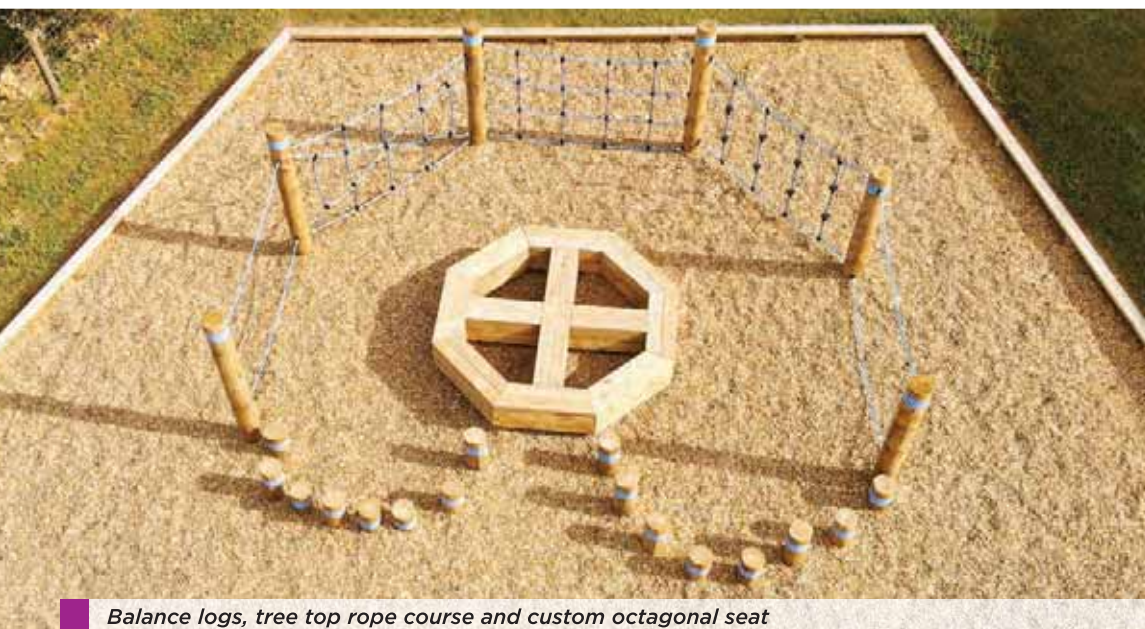

We can customise a sensory space to suit your needs.

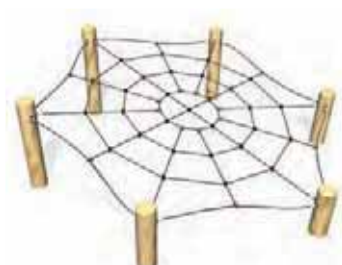

*Balance logs in a koru shape with matching turf detail*

*Balance course utilising unused bank*

*Balance logs, tree top rope course and custom octagonal seat*

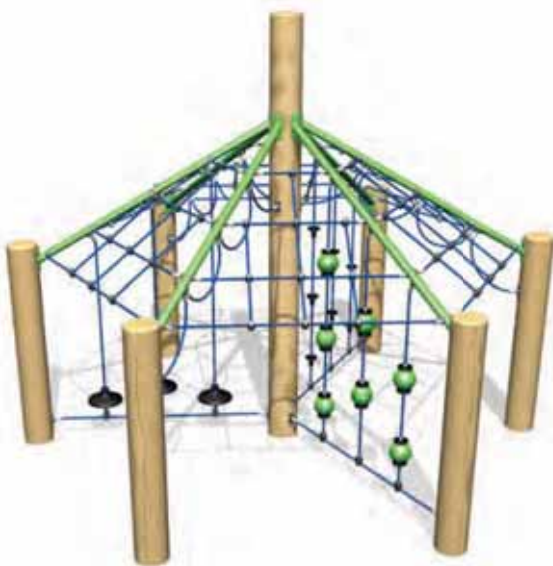

*Tree top spiders web*

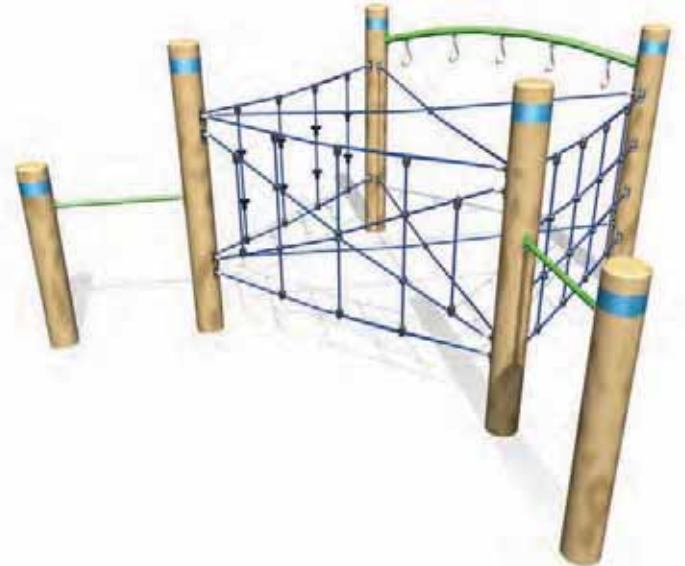

*Balance logs & board walk*

*Tree top castaway hutt*

*Tree top confidence cube*

## Parkour

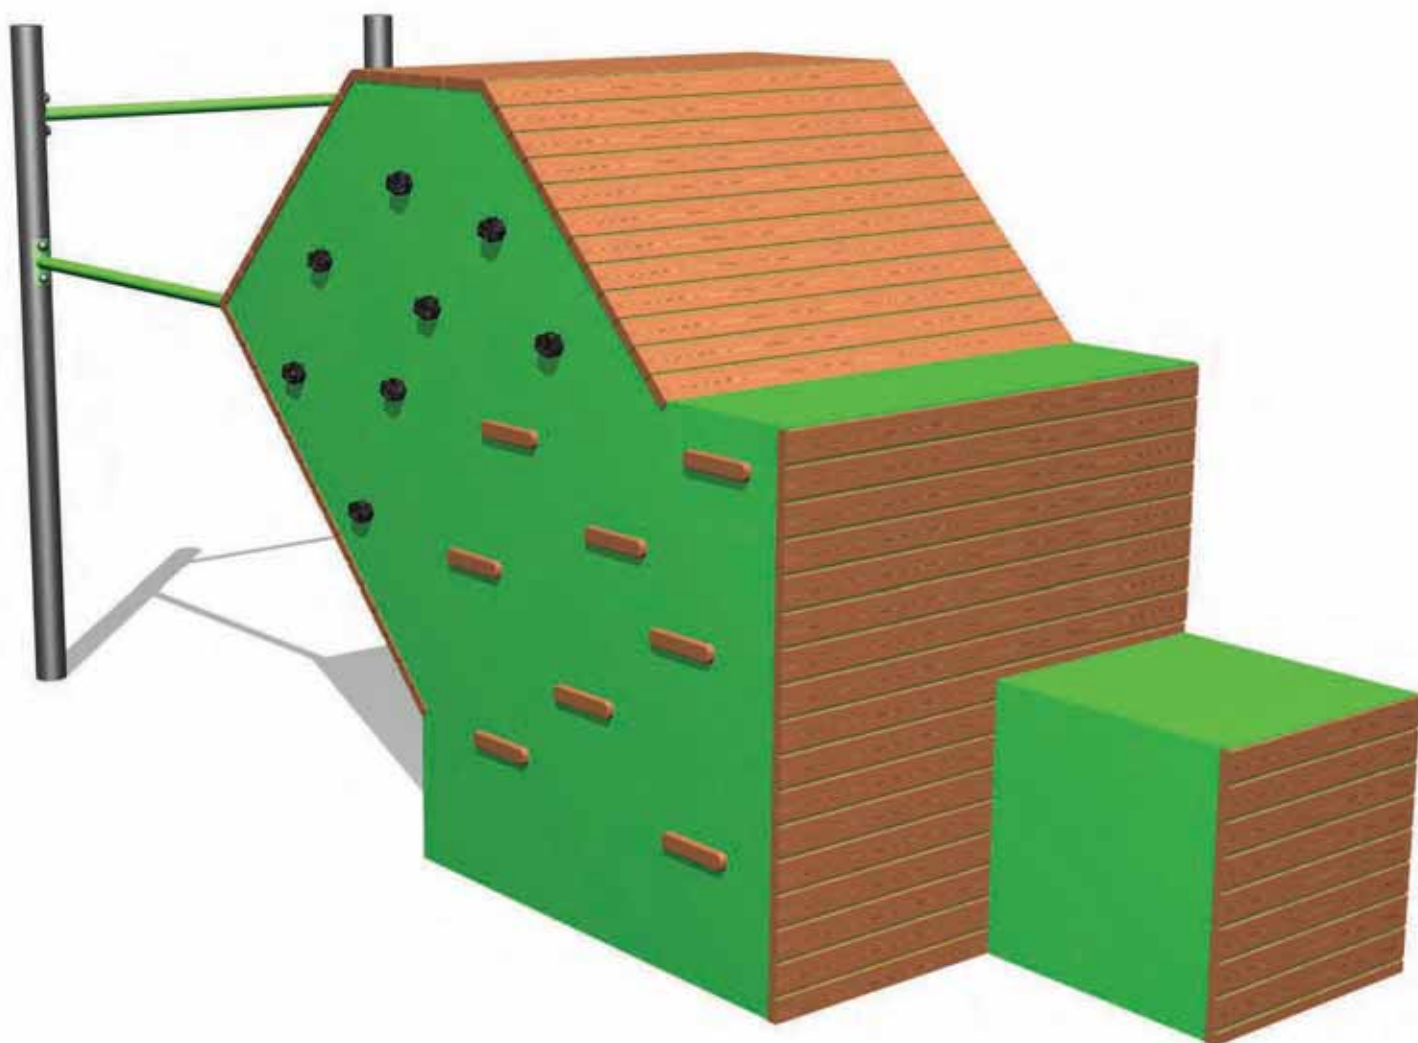

We have designed a small range of items which can be incorporated into a Parkour area.

Parkour is the art of moving between obstacle in the most efficient or artistic way.

Building a Parkour landscape around our obstacles using short walls, rails etc will create the freedom and movement needed in this sport.

Our items are designed to help with training towards mastering different moves that can be used elsewhere.

**PK101** *PK Hill*

10-50 8.6x5.9m 2.4m 5.0x1.8x2.4m Steel

**PK201** *PK Stage*

**HC3** *Junior hurricane with plastic deck and wave slide*

2-5 7.6x4.7m 1.2m 4.0x1.7x3.0m Timber

**HC4** *Junior hurricane with rope deck and straight slide*

2-5 7.0x4.7m 1.2m 4.4x1.7x3.0m Timber

### IMAGINATION, CONFIDENCE & PHYSICAL DEVELOPMENT

The wonder of children playing at the ages of 5-8 is a joy to behold. Their imagination takes them to places far, far, away.

Younger children can spend hours playing imaginative games and their playground should ignite their sense of adventure and fun. As important as the development of their imagination is the development of their physical abilities.

# Movable early childhood equipment

create - play - repeat

Movable play equipment for supervised early childhood play areas.

[www.playblox.co.nz](http://www.playblox.co.nz)

## BUILT SAFE

PlayBlox equipment is designed, built and certified in accordance with NZS5828:2015 Playground Equipment and Surfacing Standard and NZ5828 Appendix A: Supervised Early Childhood Education Services.

## BUILT TOUGH

PlayBlox is made from Park Supplies & Playgrounds award winning PolyPlay material which is **virtually indestructible, fade resistant, UV protected and graffiti resistant.**

## BUILT IN NZ

PlayBlox is **New Zealand designed and manufactured.**

## RECYCLABLE

PolyPlay material can be end of life recycled to make new boards.

## ENDLESS CONFIGURATIONS

PlayBlox has a **wide range** of different **size** and **shape** "Blox" which have been **expertly designed** to combine with PlayBlox climbers, overhead activities, slides and balance activities to create **fun engaging play experiences.**

Park Supplies & Playgrounds are excited to release a selection of our popular custom routed PolyPlay panel designs in Māori & Samoan. The new designs include ABC's, 123's, common animals and native birds, as well as bilingual greetings. These designs allow learning through play to go further by adding a sensory experience whilst introducing elements of Māori & Samoan culture.

## THE OLYMPUS WARRIOR COURSE

Developed in conjunction with:

The Olympus Warrior Course has been developed with the Athlete Development team at AUT Millennium Institute of Sport, specifically Coaches Patrick Davenport and Yash Krishna.

Yash says, **“The Olympus Warrior Course is a terrific addition to any physical development.”**

The addition of different grips, monkey bar sections and balance beams of varying types gives students a complete body workout, building strength, agility and balance whilst they are having fun, competing or simply doing a workout.

**OW10** Olympus oh ladder

👤 13-70 📏 5.6x8.1m 📏 2.2m

## Outdoor gym equipment

New Fitness Calisthenics range from Park Supplies & Playgrounds for children aged 10-18.

The Calisthenics range is the culmination of extensive research undertaken by both our own active Park Supplies team members and outdoor sport and exercise professionals into the specific pieces of equipment that allows end user to move safely, functionally and beneficially.

**CAL20** *Cliff hanger, inverted ladder, mega ladder and pull up station*

13-70 9.6x5.5m 2.5m 5.2x1.1x2.5m Steel

**CAL21** *Overhead ladder*

13-70 7.5x6.0m 2.5m 1.6x3.1x2.6m Steel

**CAL01** *Pull up bar (3m wide)*

13-70 7.5x4.5m 2.5m 3.1x0.1x2.6m Steel

**CAL03** *Vertical ladder*

13-70 5.3x4.3m 2.3m 1.1x0.1x2.5m Steel

**CAL22** *Sit up station*

13-70 5.8x5.5m 0.9m 2.8x2.5x1.2m Steel

**CAL04** *Jump up platforms*

13-70 4.8x3.3m 0.8m 1.8x0.3x0.8m Steel

**CAL02** *Pull up bars (1.5m wide)*

13-70 7.5x4.5m 2.5m 3.1x0.1x2.6m Steel

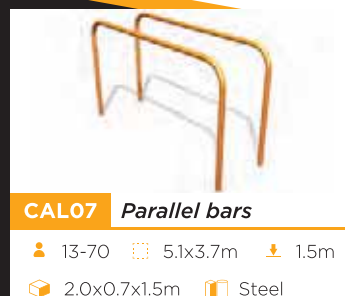

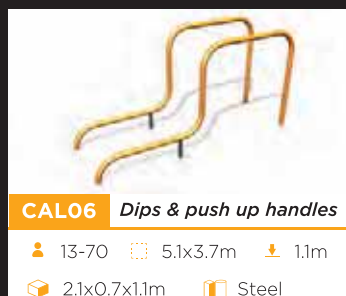

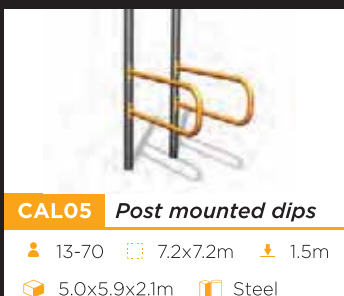

Not only will the users build great functional strength making every day tasks easier, but by reducing stress on your joints while building strength this will result in better performance for extracurricular activities and a longer lifespan for those joints.

Calisthenics exercise have been proven to actually increase your resting metabolic rate as well as enhance and develop muscular and aerobic endurance. The equipment we have designed can be used as part of the students own recreational time or during programmed PE sessions to assist with other sports training or purely for their own health and wellbeing.

Each activity provides multiple guided exercise uses and the simplistic design of each piece means the opportunities are endless when the students are being creative with their own movement. Use the items as circuit based type training or individually to up skill in areas of weakness.

## Bike track equipment

A skills obstacle track is a great addition to any bike track as it encourages riders to concentrate and ride slowly. This is particularly good for improving balance and coordination.

See our range of bike track obstacles below or contact us to start your own design and build.

**BT05** *Slalom*

**BT07** *Ramp ride* 📦 6x0.8x0.3m

**BT10** *Curb drops* 📦 4x0.8x0.1m

**BT08** *Balance boards (wide and thin)* 📦 3x0.4x0.3m - 6x0.8x0.3m

**BT01** *Single hump* 📦 2x0.8x0.3m

**BT09** *Negotiator* 3x0.8x0.1m

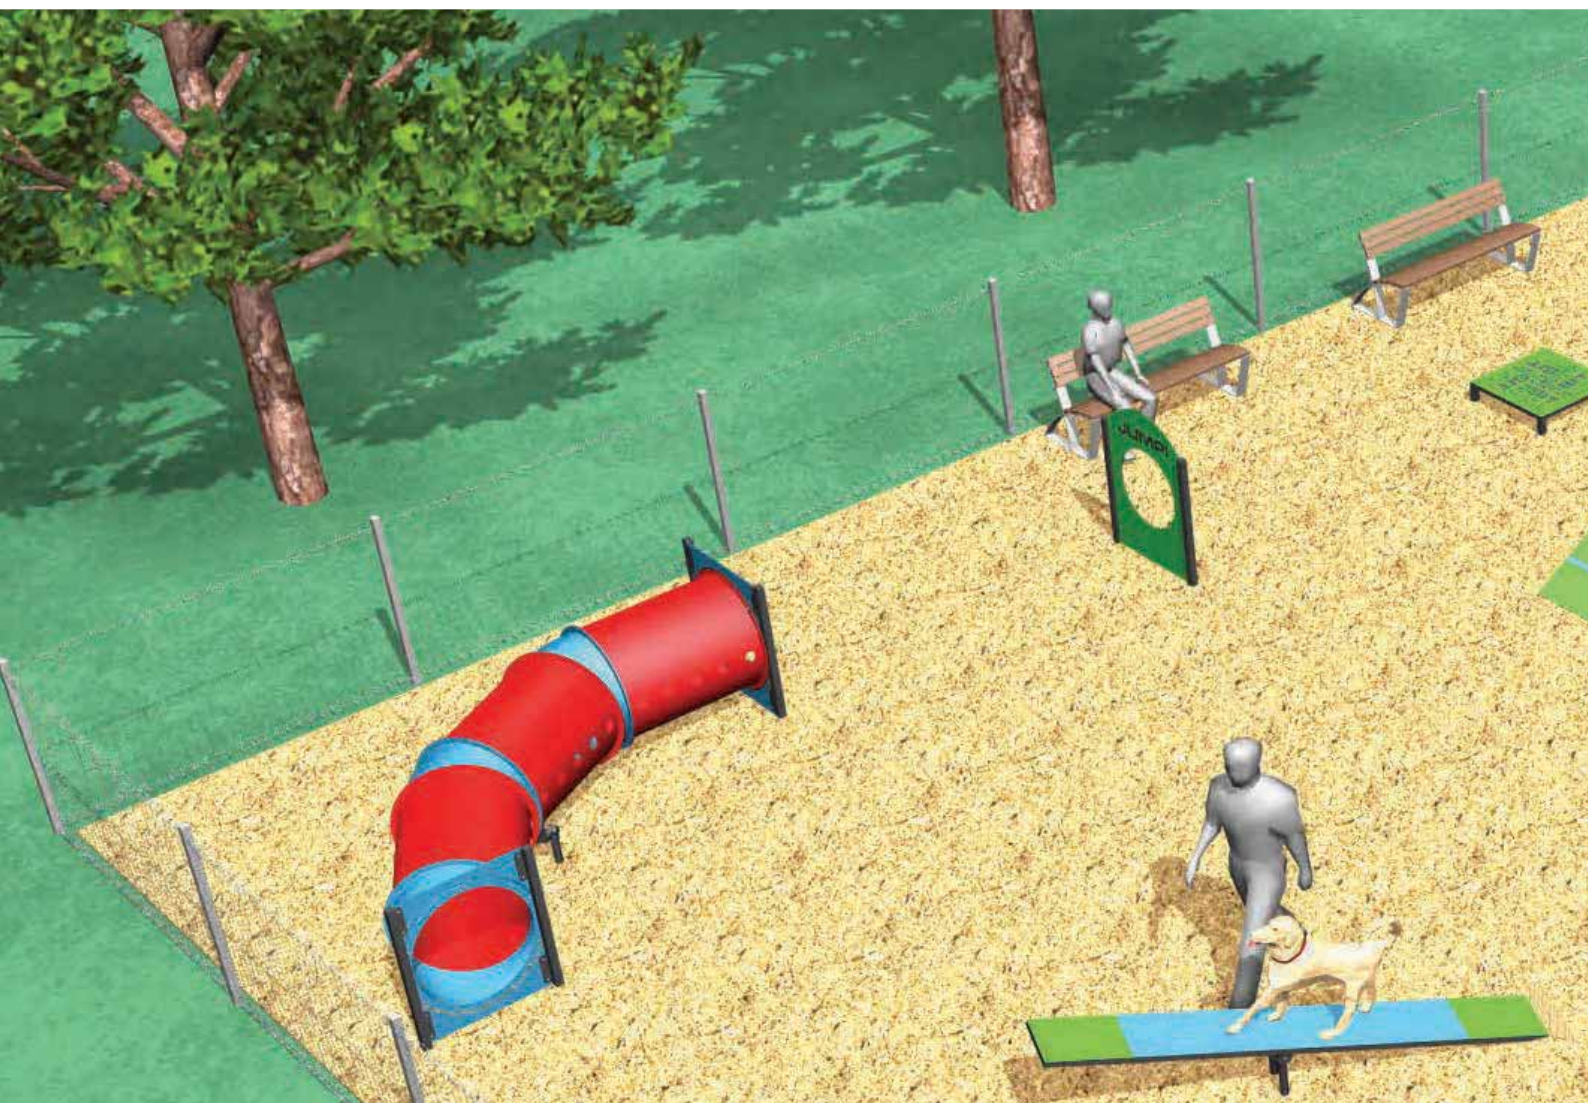

**BT06** *Seesaw* 3x0.4x0.3m

**BT03** *Corrigator* 2x0.8x0.05m

YES! We also make playgrounds for dogs!

**DP01** Seesaw

**DP02** High jump

**DP03** Slalom weave

**DP04** Sit/stay bench

**DP07** Crawl tunnel (curve)

**DP08** Hoops

**DP09** Jump thru

**DP10** Jump thru multi

**DP05** Crawl tunnel (1m)

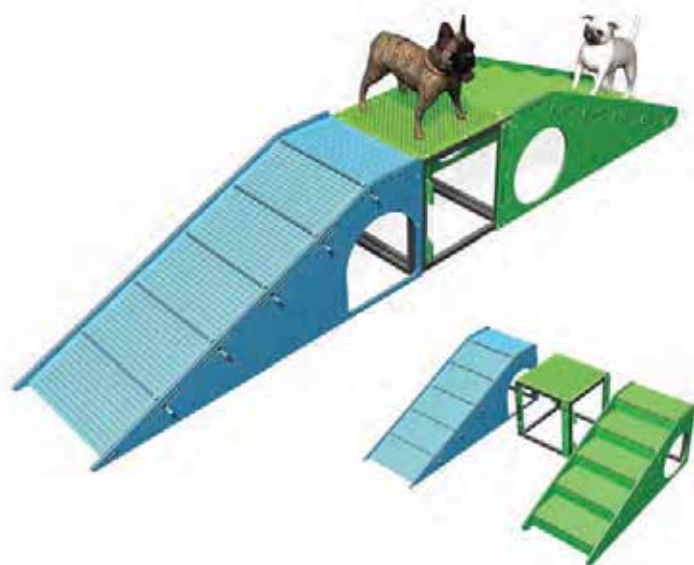

**DP06** Crawl tunnel (3m)

**DP11** Cattle ramp A

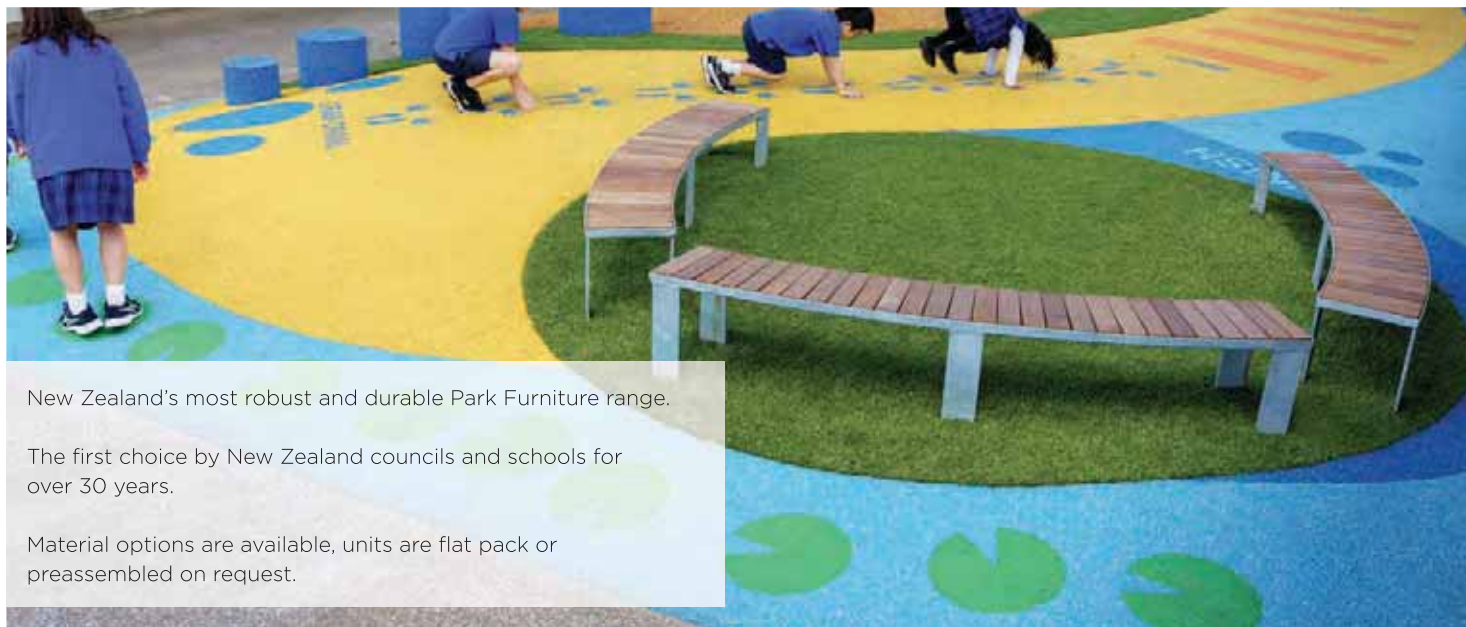

**DP12** Cattle ramp B

**DP30** Movable ramps, stairs and boxes that clip together

# Furniture

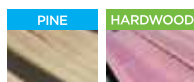

New Zealand's most robust and durable Park Furniture range.

The first choice by New Zealand councils and schools for over 30 years.

Material options are available, units are flat pack or preassembled on request.

**Queenswood bench seat**

Length: 1500mm  
Seat height: 400mm  
Table height: 700mm  
Width: 1100mm

## Play spaces

Playspaces incorporate play, community, social development and environment. Successful playspaces use a mixture of custom designed and 'off-the-shelf' play equipment, provide universal access, offer shade and incorporate natural elements including planting. It is often a hub for interaction and should provide opportunities for children to learn and develop social skills, imagination, creativity, problem solving, a sense of self and a sense of connection to the community and environment.

*Performance and play stage with slide, tunnel.*

*Incorporated black boards for creative and social play.*

## Destination play space

Your local playground is the heart of your community. Children develop their confidence, imagination and agility on Park Supplies & Playgrounds play equipment.

Park Supplies & Playgrounds Ltd has designed, fabricated, installed and maintained a countless number of projects for Councils throughout New Zealand. With an emphasis on timely delivery and a high standard of workmanship, we provide a cost-effective way to give maximum play value to our clients.

Park Supplies and Playgrounds equipment is designed and manufactured here in New Zealand and meets all the current New Zealand Playground Safety Standards. Our equipment is built tough and made to last in New Zealand conditions, it is fade resistant, UV protected and even graffiti resistant.

At Park Supplies & Playgrounds we focus on delivering you a complete package that includes entire project management of your project. From design through manufacture to installation and commissioning of the project we walk with you through every step.

NEED HELP? IT'S WHAT WE ARE HERE FOR.
