WELCOME TO YOUR **NEW** PLAYGROUND.

Embarking on the process of **building a new playground is an exciting adventure** for any school. Often the hardest part is knowing where to start.

At Park Supplies & Playgrounds we look to provide you with all the information and inspiration to get you started on your playground adventure. But **the magic really starts in the design phase** when we bring your ideas to life.

Enclosed within these pages is some **inspiration and advice for you** and your playground development team. We hope you enjoy it and find it helpful.

JUNIOR PLAY

INSPIRATION. IMAGINATION. CREATIVE **PLAY.**

The wonder of children playing at the ages of 5-8 is a joy to behold.

Their imagination takes them to places far, far, away. Younger children can spend hours playing imaginative games and their playground should ignite their sense of **adventure and fun**. As important as the development of their imagination is the development of their physical abilities.

Park Supplies & Playgrounds will design a Junior Playground that ensures your children get both the **imaginative play experience** and the **physical development** activities they need to grow and develop.

SENIOR PLAY

ADVENTURE. PHYSICAL GROWTH. FUN AND FRIENDS.

As children grow so to do their physical needs.

As their imagination develops their play also changes. For children in your senior school, ages 8-12, the playground will develop their gross motor skills, strength and hand-eye coordination whilst giving them **plenty of adventure**, challenge and agility to **build their confidence**.

Park Supplies & Playgrounds design innovative playgrounds that develop children's **confidence** and sense of self through **physical challenges** and **adventure-based** play.

FITNESS TRAILS

AGILITY. SPEED. STRENGTH.

Give your children the experience and challenge of a fitness trail.

Extending childrens' physical abilities is essential to their growth and development and a fitness trail is the **perfect activity to complement their play.**

Park Supplies & Playgrounds design and build fitness trails specifically for your school that **develop your childrens' physical abilities.**

The Ultimate Outdoor Strength and Conditioning Course

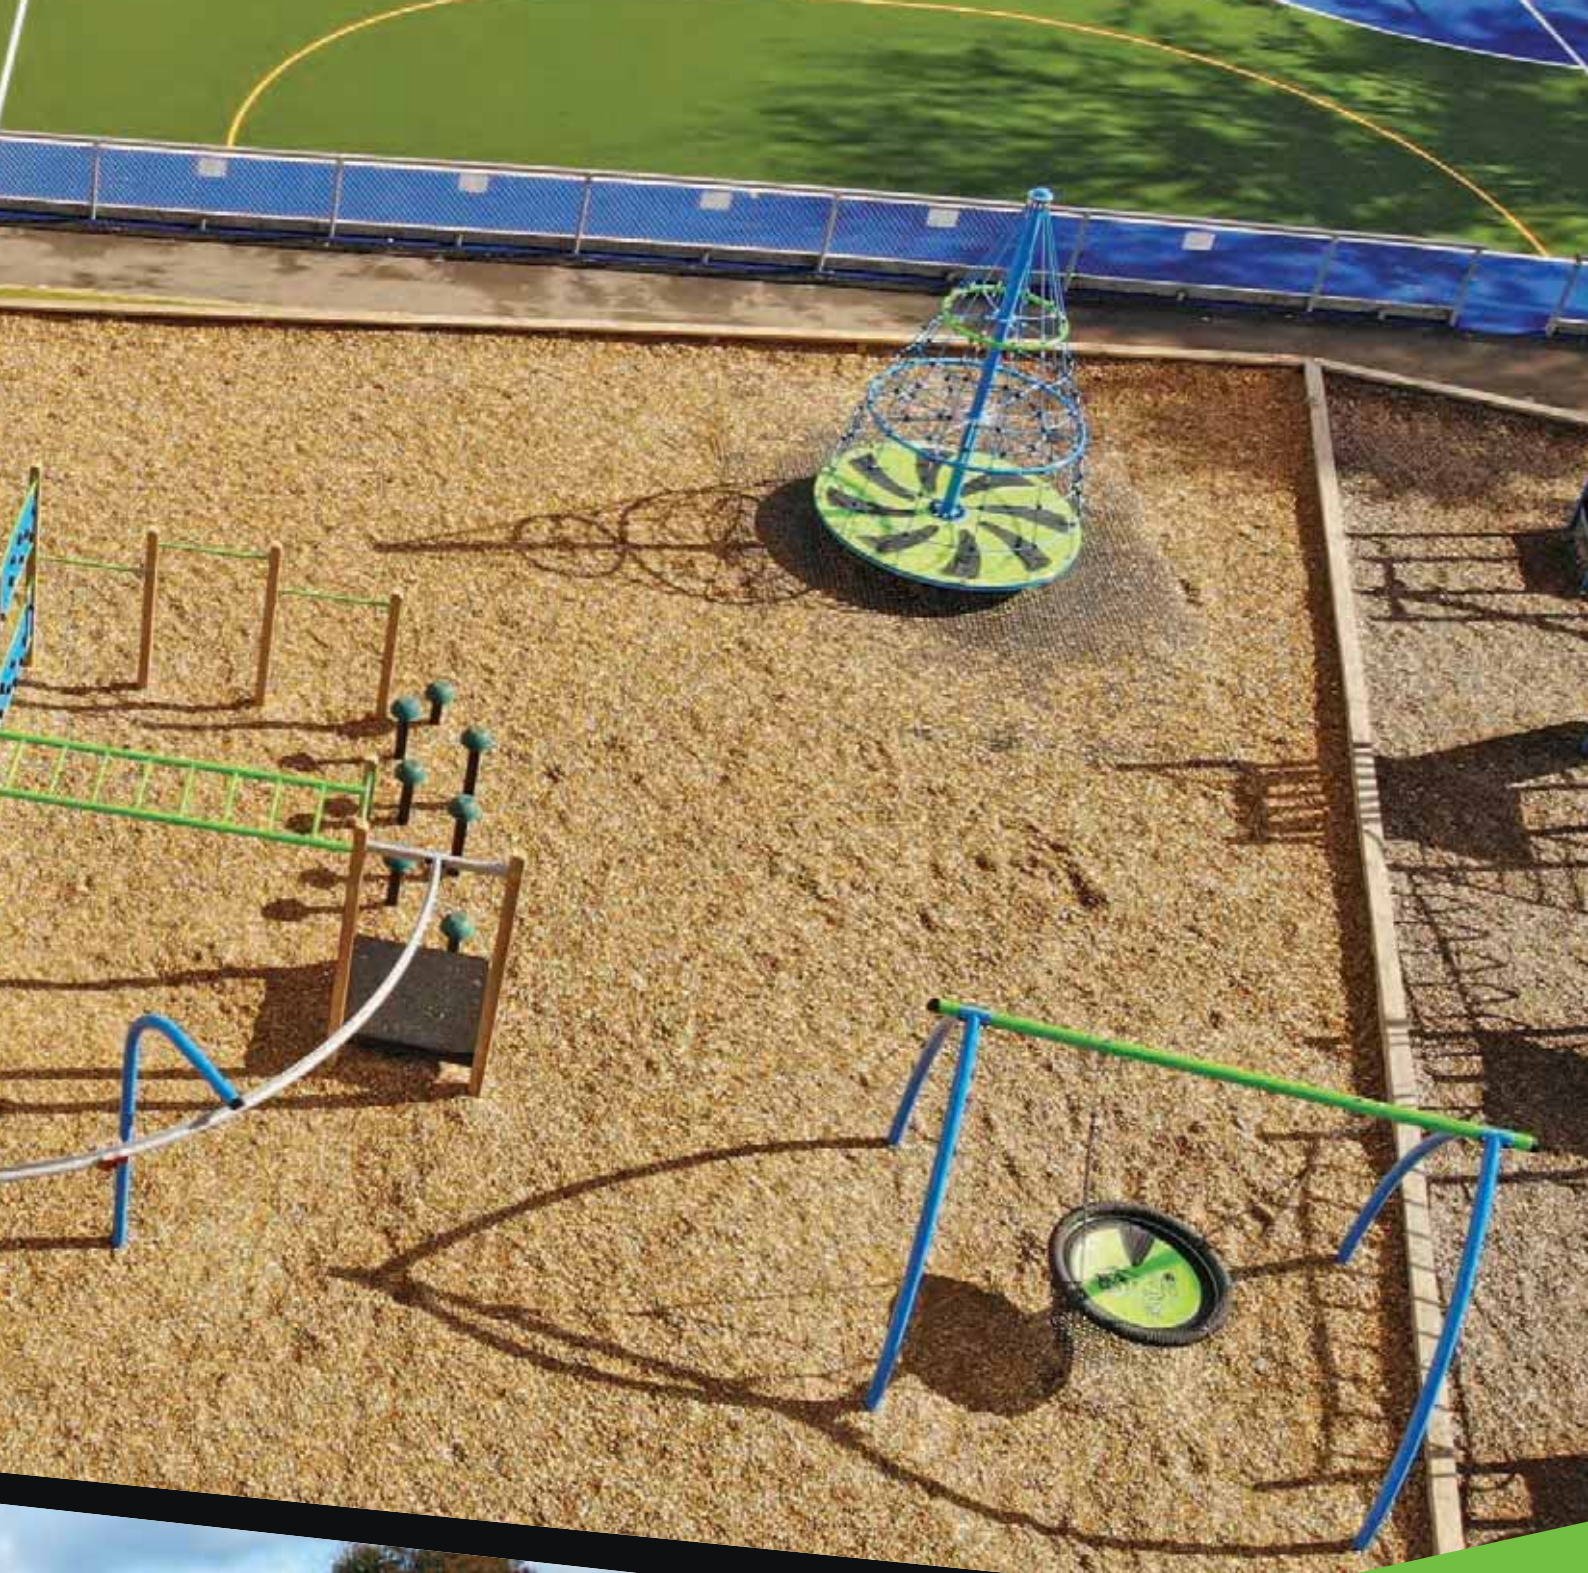

PLAYGROUNDS FOR MIXED AGE GROUPS.

A playground designed for all your students provides experiences and activities that challenge and engage children of all ages. An ALL SCHOOL playground will integrate static play structures such as monkey bars, climbing walls and rope climbers with dynamic elements such as swings and spinners which develop balance and coordination.

FREE STANDING EQUIPMENT.

Park Supplies & Playgrounds offer a selection of New Zealand made spinners, rockers and climbers that can be added to any existing or new playground.

HURRICANE

Perfect for Senior children, the Hurricane is a **real climbing challenge**. It combines different physical challenges all based around climbing for full body development and coordination.

JUNGLE CUBE

The Jungle cube is perfect for those smaller spaces in any school. Great for climbing and adventure with a monkey bar included for the development of strength.

SWINGS

Every child loves swings!
We have a wide range of both traditional and exciting new ones to try.

LUNAR SPINNER

The Lunar is perfect for smaller sites and smaller budgets. Offering up to 10 children a dynamic spinning experience the Lunar is a fun addition to any playground.

OREX SPINNER

One of our most popular additions to any playground, the Orex Spinner is a dynamic piece of equipment that will keep up to 40 children entertained for hours.

All inclusive access point makes it easy for children to join the fun.

OUR FACTORY.

Park Supplies & Playgrounds factory based in Māngere Bridge, Auckland is where we design and build all of our playgrounds.

We take pride in our work place and workmanship.

We offer guided tours of our factory so your children can better understand the process behind creating their dream playground. Contact us to organise a factory tour.

ABOUT US.

PARK SUPPLIES & PLAYGROUNDS.

A NEW ZEALAND MADE STORY.

MADE IN NEW
ZEALAND FOR
LITTLE KIWIS

We believe in the value of play.

For **well over 30 years** Park Supplies & Playgrounds has been driven by the excitement and joy of children and their play. **We love designing and building playgrounds** that give children a sense of adventure, imagination and inspiration. It is both a pleasure and a privilege to be able to create a playground unique to each school we work with.

Our focus has always been on **designing and manufacturing high quality playgrounds**. All of our products are designed and built in accordance with the NZS 5828:2015 playground standards. We ensure that your playground will provide your students with plenty of **fun and enjoyment**, as well as **physical development**, over many, many years.

We invite you to visit our factory in Māngere Bridge, Auckland to view our operation and to see your playground coming to life.

Please give Jenny or Melissa a call on **0800 752 947**

We look forward to working with you.

Yours in play,
