PlayBlox®

create - play - repeat

Movable play equipment for supervised early childhood play areas.

ENDLESS CONFIGURATIONS

- PlayBlox has a **wide range** of different **size** and **shape** “Blox” which have been **expertly designed** to combine with PlayBlox climbers, overhead activities, slides and balance activities to create **fun engaging play experiences**.

QUICK & SAFE CLIPPING

- PlayBlox movability and **unique, safe, easy to use** clipping system allows for **new adventures, challenges** and **excitement** to be created every single day.

BUILT SAFE

- PlayBlox equipment is designed, built and certified in accordance with NZS5828:2015 Playground Equipment and Surfacing Standard and NZ5828 Appendix A: Supervised Early Childhood Education Services.

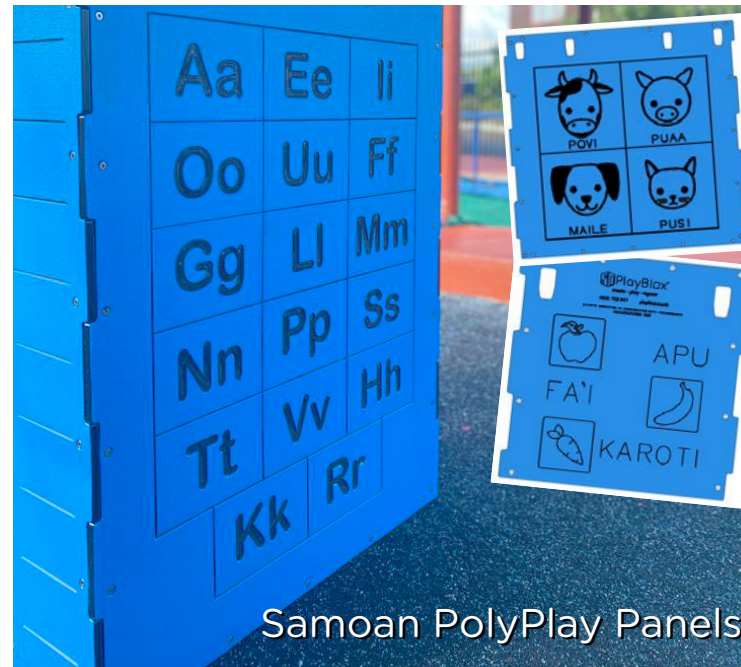

BUILT TOUGH

- PlayBlox is made from Park Supplies & Playgrounds award winning PolyPlay material which is **virtually indestructible, fade resistant, UV protected** and **graffiti resistant**.

BUILT IN NZ

- PlayBlox is **New Zealand designed and manufactured**.

See our selection of PolyPlay panel designs in Māori and Samoan!

CONFIGURATIONS & OPTIONS FOR BABIES AND CRAWLERS

All components in the playblox range can be fitted together to ensure you can create the perfect playblox playground for your centre!

Specifications

ALREADY HAVE MOVABLE BOXES?

Do you already own movable boxes made by another manufacturer but want to modernise it with PlayBlox Blox or Add-on activities?

Good news we have adaptors which allow you to mix and match PlayBlox items with your existing equipment.

SAFETY CERTIFICATION

PlayBlox is designed, built and certified to the NZS5828:2015 Playground Equipment and Surfacing Standard and NZS5828 Appendix A: Supervised Early Childhood Education Services.

SURFACING & FALL ZONE INFORMATION

- All PlayBlox structures above 600mm high require certified safety surfacing beneath them to comply with the NZ Playground Safety Standards. Please enquire about safety surfacing options.
- The fall zone "Area Needed" is based on having a 1m fall zone around items under 600mm high and a 1.5m fall zone around items over 600mm high.
- FHF is "Free Height of Fall" - measured from the highest point of a structure a user can fall from.

WARRANTY

PlayBlox comes with a 15 year manufacturing and assembly defect warranty on material and workmanship. The full warranty includes 5 years for integrity of plastics excluding damage caused by normal wear and tear and weathering. See the purchase contract for full terms and conditions.

ORDERING INFO

You can order any of the PlayBlox Combos and individual items through our website - playblox.co.nz

The website is full of in-depth technical info on the items as well as info on area sizes and safety surfacing needed to comply to the NZS:5828:2015 safety standard.

All items are available in Lime Green, Nature Green or Blue PolyPlay. You can choose your colour options when ordering through our website - playblox.co.nz
